

Accommodation Information Sheet

Pre-arrival

- Bookings can be made instantly online.
- The nearest bus stop is 1.9 miles away, at Thorn Bush on the A40. Timetables and more details can be found at: <https://www.pembrokeshire.gov.uk/bus-routes-and-timetables>
- The nearest train stations are Haverfordwest (3.5 miles), Clarbeston Road (4.7 miles), Narberth (6.8 miles) and Clunderwen (7.7 miles). Taxis operate from these stations.
- If you require this information in a different format, please contact us via our website, e-mail, or telephone.
- Grocery delivery can be arranged online from Tesco and Morrisons. Slots can be booked prior to your holiday but you must be in the gatehouse during the delivery allocation.
- It should be noted that the property may not be suitable for guests who are wheelchair users or have mobility impairment due to the doorway sizes, narrow spaces around furniture and changes in levels both on the inside and outside of the gatehouses.
- With the safety of guests in mind it is suggested that the gatehouses may only be suitable for guests who have a visual, hearing or mobility impairment if they are accompanied. Regrettably, we currently only have standard smoke detectors and carbon monoxide detectors and are therefore not able to offer the higher level of warning systems (e.g. flashing or vibrating alarms) on which a guest with such impairments would rely if travelling alone.
